TITLE: PELICAN DISCONTINUES SELECTED LIGHTING PRODUCTS FOR 2017

DETAILS: In an effort to keep the Pelican™ lighting line fresh and innovative, we will be discontinuing a number of older products. The list below details those models and suggested replacements. We hope this advance notice will allow for any necessary adjustments in your marketing materials and order placements. We will attempt to support these items up to December 31, 2016, however, some models have limited quantities and will be treated as “while supplies last”.

Effective January 2017 these models will be removed from our price list and website. Please contact our customer service team for additional support.
