

TITLE: Pelican 7060 LED Charger Base Part Numbers

PRODUCTS AFFECTED: Pelican 7060 LED

INTRODUCTION: Pelican 7060 LED users should pay special attention to charger base and power adapter part numbers when purchasing additional parts.

DETAILS:

- The correct charger base part number for the Pelican 7060 LED is 7070.
- Be advised that this 7060 LED light part number should not be confused with 7060F which is the charger base for the M9 7050.
- 7060 LED charger base can be distinguished from the M9 7050 charger base by color:
 - 7070 (7060 LED) = Grey
 - 7060 (7050 M9) = Black
