

TITLE: Pelican™ Remote Area Lighting System (RALS) Product Changes

PRODUCTS AFFECTED: 9430 Remote Area Lighting System (RALS)

DETAILS: There are product accessory additions and changes to the 9430.

The charger for the 9430 is being replaced by a universal plate charger – part #9433-303-000.

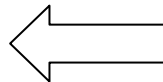

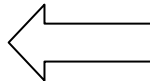

The old 9430 part number (9430-305-000) is now discontinued.

The new charger will work with 9430 models only.

Single LED heads are now available in black or yellow.

Black Part # 9430-350-110
Yellow Part # 9430-350-245

The LED heads will work with all three models (9430, 9460 and 9470).

The 9430 RALS now has NSN#s

Black: 6230-01-569-9643
Yellow: 6230-01-570-0962
