

Case-Mate is now the exclusive official licensor for Pelican brand protective phone cases and select mobile device accessories. Case-Mate is an industry leader and innovator that offers a wide range of accessories for mobile devices, including stylish and protective phone cases, AirPods cases, power and charging devices, device screen protection, Apple Watch bands and much more.

In addition to selling Pelican brand products, Case-Mate will continue the tradition of Pelican's warranty process for products whether a past purchase or new purchase. Case-Mate will provide customer support for the Pelican line of mobile device cases and fulfill the warranty on these products. Pelican is confident Case-Mate is committed to providing the same high-level of support our customers are accustomed to.

As of July 1, 2020, Case-Mate will begin selling Pelican brand consumer electronic cases and will take over providing customer support and warranty fulfillment.
