- 3315R (RECHARGEABLE)
- 3315R-RA (RECHARGEABLE RIGHT ANGLE)

Safety Certified, Compact, and Rechargeable LED Flashlights That Adjust To Change

3315R Flashlight (Rechargeable) + 3317 Optional Adapter (Rechargeable) = 3315R-RA Right Angle Flashlight (Rechargeable)

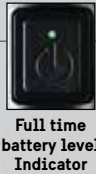

The new Pelican™ 3315R and 3315R-RA Rechargeable Safety Certified Flashlights

Light up the danger zone with our newest safety certified flashlights. Use it as a hand-held flashlight (3315R) for traditional lighting applications or turn it into a right angle flashlight (3315R-RA) for hands free lighting. The compact design is the ultimate space saver—fit it in your pocket or any crowded tool box. With a Class I, Division 1 certification you can work in hazardous work zones knowing these flashlights will not be a source of ignition. Recharge less and travel

light. The lithium battery maintains battery power for longer run times and is lighter in weight than the battery used in conventional flashlights.

The new Pelican™ 3315R and 3315R-RA: LED Flashlights

LIGHT OUTPUT	RUN TIME	MODES	IP RATING	COLORS
Up to 132 Lumens	Up to 34 Hours, 15 Minutes	High / Low / Flashing	IPX7 Waterproof	<div style="display: flex; gap: 10px;"> <div style="text-align: center;"> 3315R </div> <div style="text-align: center;"> 3315R RA </div> </div>
