NEW: Pelican™ 9480 and 9490 Remote Area Lighting Systems

With Pelican's quick release swappable Power Pack (12 volt power supply), you'll have continuous light through your entire shift. Illuminate confined spaces or deploy the mast with its 340° articulating head to light large work areas. Both models come with a detachable shoulder strap to help you move quickly to the next worksite.

Swappable power pack w/12v aux. port adapter for smartphones, laptops, etc.
