

**TITLE:** Pelican 1650 Transport Case Design Refinements

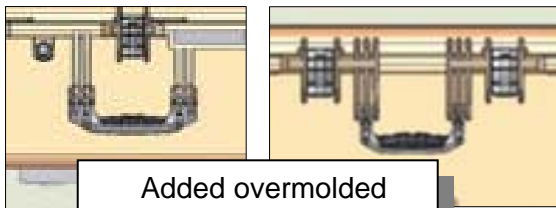

**PRODUCTS AFFECTED:** Pelican's 1650 Protector™ Cases

**INTRODUCTION:** The 1650 Transport Case design has been modified (**Cases manufactured in Germany have yet to be modified**).

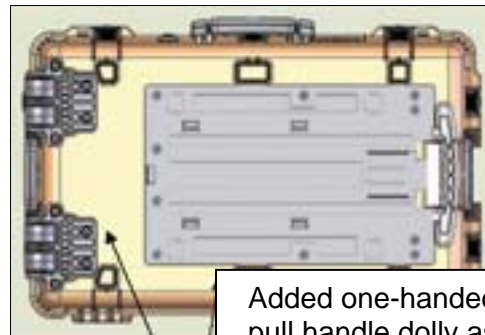

**DETAILS:**

Exact revised measurements can be found at [www.pelicanoem.com](http://www.pelicanoem.com).

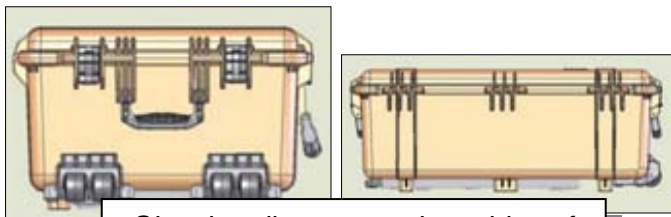

**Design refinements:**

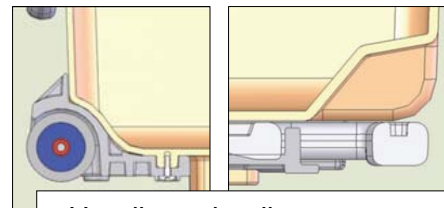

Added overmolded front and side handles

Added one-handed-action pull handle dolly assembly (Similar to 1640 the Transport Case)

Glancing ribs removed on sides of case to decrease weight by more than 6 lbs.

Handle and trolley recess areas deepened to accept the 1640 Transport Case dolly and wheels.
