TITLE: THE PELICAN™ M10 8040 ALKALINE FLASHLIGHT (INCANDESCENT) GETS A NEW LOOK

PRODUCTS AFFECTED: PELICAN M10 8040 ALKALINE FLASHLIGHT

INTRODUCTION: To update the design, Pelican has given the M10 8040 Alkaline Flashlight a whole new look. It now mirrors the 8060 LED and 8050 models.

There is a new switch but original internal components and performance will remain the same.

DETAILS:

Previous M10 Pelican 8040 Alkaline Design

All-weather, no-slip grenade grip

Castle top shroud alerts user when light is left on and standing head down

New Pelican 8040 Design
