

DATE: JUNE 4, 2012

TITLE: PELICAN NEMO FLASHLIGHTS GET PHOTOLUMINESCENT SHROUDS

PRODUCTS AFFECTED: NEMO™ FLASHLIGHTS – EXCLUDING THE 4300 NEMO

DETAILS: For additional utility, Pelican Products has added photoluminescent shrouds as standard on Nemo™ Series flashlights except the 4300 Nemo.

Photoluminescent polymer gathers ambient light and glows in the dark.

The new photoluminescent shrouds can be purchased separately. Please contact a Pelican sales representative for availability and pricing.
